SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

DISTRICT STATEMENTS

DISTRICT MISSION

To inspire ALL students to extraordinary achievement every day.

DISTRICT VISION

An unwavering focus on innovative and engaging learning experiences that prepare students for college, career pathways and life success.

SCHOOL STATEMENTS

MESSAGE FROM THE SCHOOL ADMINISTRATION

As principal, I have the unique privilege of introducing you to the Annual School Accountability Report Card for Lord Baden-Powell School. Whether you are a student, parent, staff or community member, the data contained within these pages will prove useful in informing you about our school and community, including but not limited to: demographics, achievements, progress evaluation, ongoing goal realization, positive behavior, budget, and facility enhancement.

In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card. However, we view this as not only a means of complying with State legislation, but an opportunity to publish the accomplishments we take great pride in sharing, and set forth goals and focal points for future endeavors that will be paramount in determining the effectiveness of next year's programs and activities.

Our goal in presenting you with this information is to keep our community, and the public in general, well informed. In reflection of that goal, we desire to keep the lines of communication open and welcome any suggestions, comments, or questions you may have. It is the opinion of the District, myself in particular that a well-informed public is vital in continuing to advance in an ever-evolving world. Thank you for helping Lord Baden-Powell School change with the times and maintain flexibility in this and future generations.

SCHOOL PROFILE

Located in the Orange County City of Anaheim, the Magnolia School District educates pre-kindergarten through sixth grade students from the diverse communities of west Anaheim and Stanton. There are currently nine elementary schools (pre-K-6) in the district. Students from the Magnolia School District attend junior high and high schools in the Anaheim Union High School District. School programs and curricular objectives emphasizing English Language Development, strong community partnerships, and character education are hallmarks of the Magnolia School District.

Baden-Powell School's goal is to provide an engaging learning environment with strong parental involvement where all students are able to participate in activities that promote academic achievement, personal growth, and high self-esteem.

CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered “ineffective” under ESSA), credentialed teachers who are assigned out-of-field (considered “out-of-field” under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE’s Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

SCHOOL FACILITIES

Age and Condition of Facilities

Lord Baden-Powell Elementary School provides a safe, clean environment for students, staff, and volunteers. The school was designed in 1964 and is situated on ten acres. The campus has 16 permanent classrooms, 4 workrooms/offices, 24 portable classrooms, a library, a playground area, a multipurpose room, a kitchen and an administration office building. The school facilities are well maintained and provide adequate space for students and staff. The facility strongly supports teaching and learning through its ample classroom and playground space.

Improvements to Facilities

Lord Baden Powell Elementary School completed modernization for a new modular administration office. The new modular administration office is located at the front of the school in between the MPR building and CCS building. It is more conveniently accessible for parents and the community. The site has a new solar panel structures that provide both power and shade to the facility.

Cleaning Process

The District's governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

The maintenance and repair of the school facility is the number one priority of the District's Maintenance, Operations, Transportation, and Facilities Department. The District's maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

FACILITY INSPECTION RESULTS

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

INSTRUCTIONAL MATERIALS

Magnolia School District held a Public Hearing on September 14, 2023, and determined that it has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district are aligned with the California State Standards and have been approved by the Board of Education. The most recent textbooks (as of September 2023) for all schools in the Magnolia School District are indicated.

TEXTBOOKS

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):
 - Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2022-23	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)
All Students	346	334	96	28.7

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Parents and the community are very supportive of the education program at Baden-Powell School. The PTA has made generous contributions of time and money to numerous programs and activities. Parents of kindergarten through sixth grade students are invited school events and programs regularly.

Parents are encouraged to be involved in their child’s education through volunteering in the classroom and attending schoolwide events held throughout the year. Events include Back-to-School Night, Open House, all school assemblies, grade-level performances and PTA events. Parent and community volunteers participate weekly in the Wednesday Volunteer Group. The volunteers complete projects for teachers and staff and enjoy the collaboration with other parents.

Parents are kept informed about school activities through the marquee, the principal’s newsletter, teacher newsletters, regular phone calls home, and flyers.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2020-2021 rate data is not comparable. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

SCHOOL SAFETY

All schools in the Magnolia School District have closed campuses. During school hours the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and to wear visitor badges during their stay. While visits by parents and community members are welcomed, anyone wishing to be on campus during school hours should notify staff ahead of time. During lunch, breaks, and before and after school, yard supervisors, administrators, and teachers supervise students and monitor the campus.

The comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine, and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a schoolwide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

During the COVID-19 pandemic, protecting the health and safety of staff, students and families is a priority. The district has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

The school evaluates the plan annually and updates it as needed. The plan was last updated in December 2023. Safety procedures, including elements of the Safe School Plan, are reviewed with school and district staff throughout the school year during various safety training opportunities and emergency drills.

DISCIPLINE AND CLIMATE FOR LEARNING

The primary focus at Baden-Powell School is learning. A warm, nurturing atmosphere focused on C.A.R.E and an effective learning program provide the basis for their discipline program. School staff supports an environment that teaches students, through the daily curriculum, the skills to resolve conflicts and take responsibility for their decisions. Discipline guidelines, developed by teachers, are administered in a fair, firm, and consistent manner. Regular, positive reinforcement rewards students for citizenship and achievement and promotes self-esteem. School rules are shared with students and parents during classroom orientation, in parent newsletters, and at Back-to-School Night. Magnolia School District has implemented the Positive Behavior Intervention Support (PBIS), a system-wide approach to teaching students what is expected and rewarding them for positive behavior. Baden-Powell is a caring community of CAN DO learners, respecting each other and striving to make our world a better place. We teach and expect all students to be responsible, safe, and caring. In addition to PBIS, Baden-Powell also supports students with restorative practices that build community and repair harm. Baden-Powell School participates in the PAL® (Peer Assistance Leadership) program, which enables upper grade students (grades 3-6) to develop conflict resolution skills. These trained student leaders act as role models for the entire student body. On the playground, PAL® students identify and mediate conflicts, and subsequently write a report of their learnings to share with a teacher. Through the implementation of this program, we have experienced a more safe and peaceful campus.
