SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- Visit the California Department of Education (CDE) SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.

- Visit the CDE LCFF webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.

- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

DISTRICT STATEMENTS

DISTRICT MISSION

To inspire ALL students to extraordinary achievement every day.

DISTRICT VISION

An unwavering focus on innovative and engaging learning experiences that prepare students for college, career pathways and life success.

SCHOOL STATEMENTS

MESSAGE FROM THE SCHOOL ADMINISTRATION

In accordance with Proposition 98, every school in California is required to issue an annual "Accountability Report Card." We are proud of Disney School and welcome this opportunity to tell you more about us.

Disney School has an ongoing tradition of academic excellence and has been recognized as a California Distinguished School, as well as by U.S News & World Report as one of the Best Elementary Schools in the nation. We celebrate all cultures and languages. The school population consists of students and staff with rich multicultural and ethnically diverse backgrounds. The students, parents, staff, and community have joined together to assure success for all students.

The staff at Disney School believes each child is unique and deserving of a rich educational environment. Each student has access to a rigorous core curriculum in language arts, mathematics, science, and social science.

The hard working staff is both skilled and dedicated to the success of our students. We are fortunate to have many experienced and knowledgeable teachers eager to make a difference for our students. We believe in a student-centered approach, which provides an atmosphere in which a child's social, emotional, and intellectual needs are important. All students have special talents and are given the opportunities to develop those talents.

Disney School involves parents and community members in every aspect of our school. We believe that parents, community members, and staff must work together to support the educational needs of all students. We are very proud of our fine traditions at Disney School.

SCHOOL PROFILE

Located in the Orange County City of Anaheim, the Magnolia School District educates pre-kindergarten through sixth grade students from the diverse communities of west Anaheim and Stanton. There are currently nine elementary schools (pre-K-6) in the district. Students from the Magnolia School District attend junior high and high schools in the Anaheim Union High School District. School programs and curricular objectives emphasizing English Language Development, strong community partnerships, and character education are hallmarks of the Magnolia School District.

Walt Disney School's goal is to provide an engaging learning environment with strong parental involvement where all students are able to participate in activities that promote academic achievement, personal growth, and high self-esteem. Walt Disney School is proud of our academic achievements.

CONDITIONS OF LEARNING

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered “ineffective” under ESSA), credentialed teachers who are assigned out-of-field (considered “out-of-field” under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE’s Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

SCHOOL FACILITIES

Age and Condition of Facilities

Walt Disney Elementary School was designed in 1956. Walt Disney School is just under ten acres and the school facilities consist of a total of 21 permanent classrooms, 16 portable classrooms, a library, a playground area, a multipurpose room, a kitchen and an administration office building. The school facilities are well-maintained and provide adequate space for students and staff. The facility strongly supports teaching and learning through its ample classroom and playground space.

Improvements to Facilities

The site has a solar panel structure that provides both power and shade to the facility. LED lighting has been installed to existing parking light fixtures. Walt Disney Elementary School has completed their HVAC and lighting upgrades. The District plans to continue their preventative maintenance program for the playground blacktops, parking lots, and roofs. Recently, an inclusive Kindergarten playground has been installed, with plans to install such on the main playground this year.

Cleaning Process

The District's governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office or at the district office. The site administration team works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

The maintenance and repair of the school facility is the number one priority of the District's Maintenance, Operations, Transportation, and Facilities Department. The District's maintenance supervisors are proactive and conduct inspections at school sites on a continual basis. Repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

FACILITY INSPECTION RESULTS

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

INSTRUCTIONAL MATERIALS

Magnolia School District held a Public Hearing on September 11, 2024 and determined that it has sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. All textbooks and instructional materials used within the district are aligned with the California State Standards and have been approved by the Board of Education. The most recent textbooks (as of September 2024) for all schools in the Magnolia School District are indicated.

TEXTBOOKS

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English Language Arts/Literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.ets.org/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English Language Arts/Literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value “N/T” indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):
 - Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

Chronic Absenteeism Rate (Percentage)				
2024-25	Cumulative Enrollment	Chronic Absenteeism Eligible Enrollment	Chronic Absenteeism Count	Chronic Absenteeism Rate (Percentage)

PARENT ENGAGEMENT

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT

Parents and the community are very supportive of the education program at Disney School. The school community has made generous contributions of time and money to numerous programs and activities.

Parents are encouraged to be involved in their child’s education through volunteering, joining the PTA, as well as attending schoolwide events held throughout the year. These events include Back-to-School Night, Open House, parent conferences, and student performances. The community is informed of happenings at the school through regular phone, email, and text messages as well as our online calendar.

SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

SCHOOL SAFETY

All schools in the Magnolia School District have closed campuses. During school hours the entrance is secured to ensure visitors check in with the front office. All visitors are required to sign in and to wear visitor badges during their stay. While visits by parents and community members are welcomed, anyone wishing to be on campus during school hours should notify staff ahead of time. During lunch, breaks, and before and after school, yard supervisors, administrators, and teachers supervise students and monitor the campus.

The comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine, and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a schoolwide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures.

During the COVID-19 pandemic, protecting the health and safety of staff, students and families is a priority. The district has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

The school evaluates the plan annually and updates it as needed. The plan was last updated in December 2024. Safety procedures, including elements of the Safe School Plan, are reviewed with school and district staff throughout the school year during various safety training opportunities and emergency drills.
