### SARC INFORMATION

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.

- Visit the CDE CDE SARC webpage at <http://www.cde.ca.gov/ta/ac/sa/>, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at <http://www.cde.ca.gov/fg/aa/lc/>, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

### DATAQUEST

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### CALIFORNIA SCHOOL DASHBOARD

The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at <https://www.caschooldashboard.org>.

### DISTRICT STATEMENTS

#### DISTRICT MISSION STATEMENT

To prepare every student to be successful in high school, in college, in career, and in the 21st century global community.

#### DISTRICT VISION STATEMENT

To be the High Desert's premier learning establishment where dreams are awakened, academic achievement soars, and integrity leads the way to future success.

### SCHOOL PROFILE

The Adelanto Elementary School District is located in the City of Adelanto, a fast-growing community in Southern California, located approximately 35 miles south of Barstow. A highly competent staff has established a close rapport with the students and community. Additionally, the school has developed educational programs designed to provide the skills and tools necessary for students to explore their creativity while developing a strong educational base.

- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

**TEACHER ASSIGNMENT**

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered “ineffective” under ESSA), credentialed teachers who are assigned out-of-field (considered “out-of-field” under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CaSAAS). More information about the definitions used to determine the displayed data is available on the CDE’s Updated Teacher Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

#### SCHOOL FACILITIES

The Adelanto Elementary School District insures that each school provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision.

#### AGE AND CONDITION OF FACILITIES

West Creek Elementary School was constructed in 2006 and opened to students in the 2006-07 school year. The campus is comprised of 14 permanent classrooms, 24 portable classrooms, a library, a staff room, a staff work room, a multi-purpose room, and two playgrounds.

#### CAMPUS SUPERVISION

Adult supervision is present in all areas of the campus as students arrive in the morning, during lunch periods, and when students leave in the afternoon. School administration and teachers circulate in assigned areas of the campus; ensuring student conduct remains safe and orderly. Regular campus supervision is shared throughout the day by school personnel to ensure the campus remains safe while instruction is in progress. The school is a closed campus. During school hours, all visitors must sign in at the office and wear identification badges while on school grounds.

#### CLEANING PROCESS

The custodial supervisor works daily with three custodians to ensure classrooms, restrooms, and campus grounds are kept clean and safe. Daily housekeeping and cleaning takes place in the afternoons and evenings. When school is not in session, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

#### IMPROVEMENTS TO FACILITIES

Since our last inspection in July 2023, the following facility improvements have been planned/completed:

- Addition of two new shade structures
- Addition of new sealing coat and re-striping of parking lot
- New carpet installation in various indoor areas
- New tables and benches for MPR

#### MAINTENANCE AND REPAIR

West Creek Elementary School provides a safe and clean environment for students, staff, and volunteers. School personnel routinely inspect facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. The district administers a scheduled maintenance program, including regular facilities inspections, to ensure that all classrooms and facilities are well-maintained and in good repair. A work order process immediately alerts district personnel of any maintenance needed to be performed and ensures that emergencies are given the highest priority.

#### FACILITY INSPECTION MONITORING

A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Adelanto Elementary School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

#### SAN BERNARDINO COUNTY WILLIAMS INSPECTION RESULTS

On an annual basis, the San Bernardino County Superintendent of Schools conducts Williams visits to monitored school sites to evaluate sufficiency of instructional materials and to ensure that school site facilities are in good repair. The county facilities inspection was completed on August 18, 2023. There were no deficiencies reported during the 2023-24 school year's inspection.

## FACILITY INSPECTION RESULTS

The chart displays the results of the most recent facilities inspection at the school. While reviewing this report, please note that even minor discrepancies are reported in the inspection process.

**PUPIL ACHIEVEMENT AND OUTCOMES**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

**CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS**

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at <https://www.caaspp-elpac.cde.ca.gov/caaspp/>. The CAASPP System consists of the following assessments:

- Smarter Balanced English language arts/literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value “N/T” indicates that students were not tested, and therefore no scores are available at this time.

**ASSESSMENT RESULTS**

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

**OTHER OUTCOMES**

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):  
- Pupil outcomes in the subject area of physical education

**PHYSICAL FITNESS ASSESSMENT**

In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student’s ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.

The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at <http://www.cde.ca.gov/ta/tg/pf/>.

**PARENT ENGAGEMENT**

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):  
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

**PARENT INVOLVEMENT**

Parents and the community are very supportive of the educational program at West Creek Elementary School. Parents are very active at the school site volunteering in the classrooms. West Creek Elementary School has local community partnerships with the City of Victorville, Big5 Sporting Goods, Barnes and Noble, the Victorville Rotary Club, Sweet Frog, and Kona Ice. West Creek holds a parent/family night at least once a month. Examples of parent/family nights include Science Fair, Literacy Night, Math Night, Trunk-Car-Treat, Art Night, Painting Night, and Book Fair.

## PUPIL ENGAGEMENT

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout and graduation rates
- Chronic absenteeism rates

## CHRONIC ABSENTEEISM

Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a “chronic absentee”. Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

<b>Chronic Absenteeism Rate (Percentage)</b>

## SCHOOL CLIMATE

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

## SUSPENSIONS AND EXPULSIONS

The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted. Due to the COVID-19 pandemic, the 2020-2021 rate data is not comparable. In instances where there was not in-person learning for the entire school year, it would be inappropriate to make any comparisons of the suspension and expulsion rates to school years that offered in-person learning for the entire school year.

### SCHOOL SAFETY

The safety of students and staff is a primary concern of The Adelanto Elementary School District and its schools. The district is committed to providing all students with a safe learning environment.

During the COVID-19 pandemic, protecting the health and safety of staff, students and families is a priority. The district has created comprehensive health and safety protocols which include: cleaning, disinfecting and sanitizing, use of personal protective equipment, symptom screening, social distancing, hygiene practices, testing, and responding to positive cases.

The Comprehensive Safety Plan was developed by the school in consultation with local law enforcement in order to comply with Senate Bill 187 of 1997. The plan provides students and staff a means to ensure a safe and orderly learning environment. Components of the Comprehensive Safety Plan include the following: child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe drop off and pickup from school, sexual harassment policy, bullying prevention policy, and dress code policy. To ensure student safety, staff members and playground monitors supervise students at all times before, during, and after school. All visitors must sign in at the office, obtain a visitor's badge, and sign out upon leaving. Additionally, the district offers a bullying reporting/prevention hotline where students and/or parents can make a report.

The school reviews the plan annually and updates it as needed. The plan was last updated in December 2023 and was reviewed with school staff. A copy of the safety plan is available to the public at the school office. Fire, earthquake, and intruder drills are conducted on a regular basis throughout the school year. The school is in compliance with all laws, rules, and regulations pertaining to hazardous materials and state earthquake standards.
