SARC INFORMATION
Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1st of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all Local Educational Agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in a LCAP is to be consistent with data reported in the SARC.
- Visit the CDE CDE SARC webpage at http://www.cde.ca.gov/ta/ac/sa/, for more information about SARC requirements.
- Visit the CDE LCFF Webpage at http://www.cde.ca.gov/fg/aa/lc/, for more information about the LCFF or LCAP.
- For additional information about the school, parents and community members should contact the school principal or the district office.

DATAQUEST
DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

CALIFORNIA SCHOOL DASHBOARD
The California School Dashboard (Dashboard) reflects California's new accountability and continuous improvement system and provides information about how districts and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of districts, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement. The Dashboard can be accessed at https://www.caschooldashboard.org.

MORE INFORMATION
This report provides district and state level reporting of student proficiency and progress towards meeting established proficiency standards as required by the federal Every Student Succeeds Act. Detailed information about our schools is included in individual School Accountability Report Cards prepared for each school. You may obtain an Annual School Report Card from the district or school offices, or by visiting our website at www.fusd.net.

DISTRICT STATEMENTS
DISTRICT MISSION
“Every Student Successful. Engaging Schools. Empowered Communities.”

DISTRICT VISION
Fontana Unified is a community united to ensure that every student is prepared for success in college, career, and life.

CORE VALUES
- Teamwork and Respect
- Excellence and Achievement
- Responsibility and Accountability
- Equity and Opportunity
- Dedication and Commitment

CORNERSTONES OF SUCCESS
- Every Student Successful: Schools demonstrate a relentless focus on preparing students for success in college, career and life.
- Engaging Schools: Schools have the high-quality resources, leaders and teachers to provide the comprehensive learning environment required for a world-class education.
- Empowered Communities: Schools cultivate healthy environments and meaningful partnerships with families and communities to support student achievement in and out of school.

DISTRICT FOCUS AREAS
- FUSD has a laser-like focus on powerful academic outcomes for all students
- Without fail, FUSD will implement a persistent focus on safety and well-being for students and staff
- FUSD will build relationships with proactive communication and community engagement
- FUSD will be good stewards of public tax dollars through the purposeful use of public resources

SCHOOL STATEMENTS
Principal's Message:
Welcome to Chaparral Academy of Technology! I invite you to read the valuable information presented in the following School Accountability Report Card and learn about our school. This report card provides a comprehensive view of Chaparral Academy of Technology.
The intent is to keep our parents and community members well informed about our instructional programs, student academic achievement, the teaching staff, and our resources.
Chaparral Academy of Technology is a great school. Like our mascot, the Roadrunner, we are small but mighty. The excellent quality of our instructional program is a reflection of a highly trained and committed staff, who are dedicated to providing a positive school experience in an environment that both nurtures and designs instruction to meet each child’s needs.
Our instructional program is based on state standards and high expectations for academic performance. Our mission states: “Believe and Achieve, Every Child, Every Chance, Every Day.” We strive to maintain a safe campus that promotes personal responsibility for student behavior and mutual respect for all members of our learning community. We are proud of our accomplishments and collectively strive each year for increased academic excellence.
The support of our families and community is important to us at Chaparral Academy of Technology. We recognize that it takes every adult in the community to assure each student’s success. We welcome volunteers to assist in classrooms and with school activities or to serve as members of our parent committees or organizations on campus. If you have any questions about the information within this report, please call me at (909) 357-5450, or stop by the school office.

SCHOOL PROFILE
At Chaparral Academy of Technology, we envision a vibrant and inclusive learning community where every scholar levels up their potential through curiosity, creativity, and character—equipped to thrive in an ever-evolving world. Our mission at CHAT is to empower scholars to become innovative thinkers, confident communicators, and compassionate leaders by providing a safe and engaging environment enriched with technology, the arts, and purposeful learning. Through collaboration with families and the community, we foster academic achievement, digital fluency, strong attendance, and a culture of belonging where every child’s voice and identity is valued.
Chaparral staff members are dedicated to ensuring that all children receive a high quality education. To that end, Chaparral staff members regularly participate in professional development on a variety of topics, which may be held on campus, at the district level, and at professional conferences. Chaparral is a computer science immersion school and students receive lessons in coding, gaming, and robotics. We are also dedicated to ensuring high levels of student engagement through the use of cooperative learning strategies. Teachers meet regularly in Professional Learning Communities to plan lessons and analyze data as a grade level team. Multiple measures, to include state and district testing, will guide the direction of training topics for teachers. We are proud to promote college and career readiness for all of our students.

CONDITIONS OF LEARNING
The SARC provides the following information relevant to the Basic State Priority (Priority 1):
- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

INSTRUCTIONAL MATERIALS
Sufficiency of Instructional Materials
Fontana Unified School District held a public hearing on September 3, 2025, and adopted Resolution # 25-27 to certify that each school within the district had sufficient and good quality textbooks, instructional materials, foreign language materials, visual and performing arts materials, and/or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects, Foreign Languages, Health, and Visual and Performing Arts, for use in the classroom and to take home.
Adoption of Instructional Materials
Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the state are

reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

TEACHER ASSIGNMENT

The tables below display information regarding teacher preparation and placement, teachers without credentials and misassignments (considered "ineffective" under ESSA), credentialed teachers who are assigned out-of-field (considered "out-of-field" under ESSA); and class assignments. The data is collected and provided through an exchange with the Commission on Teacher Credentialing (CTC) and its California State Assignment Accountability System (CalSAAS). More information about the definitions used to determine the displayed data is available on the CDE's Updated Teacher Definitions web page at https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp.

SCHOOL FACILITIES

Age and Condition of Facilities

Chaparral Academy of Technology provides a clean, safe, and functional environment for learning through proper facilities maintenance and campus supervision.

Built in 2001, the school sits on 5.5 acres. Facilities include a library, a staff lounge, 24 permanent classrooms, three portable classrooms, a computer lab, a staff workroom, and a multipurpose room.

Chaparral Academy of Technology continuously emphasizes efforts to maintain and upgrade technological infrastructure and equipment to increase interest and enhance class curriculum.

Campus Supervision

Students arriving on campus for breakfast are greeted at the main entrance by an aide and then directed to the cafeteria. At 7:15 a.m., the campus is open to all students; instructional aides and the principal provide supervision in the cafeteria and on the playground. During recess, instructional aides and principal are on the playground to ensure students play safely. At lunch time, school site aides and principal monitor cafeteria and playground activities. When students are dismissed for the day, teachers escort their class to the student pickup loop and escort bus riders to the bus pickup area. Chaparral Academy of Technology is a closed campus. During school hours, all visitors must sign in at the school's office, show a government-issued ID card, and wear a visitor's badge or sticker while on campus.

Campus Maintenance

School custodial staff and the district's maintenance department work together to ensure that playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. The Fontana Unified School District publishes a comprehensive custodial manual which outlines cleaning standards and prioritization guidelines. Each custodial staff member receives job training and is provided a copy of the district's cleaning manual which defines individual responsibilities regarding maintenance procedures, daily responsibilities, performance expectations, and safety measures. One full-time day custodian and one full-time evening custodian are assigned to Chaparral Academy of Technology and are responsible for keeping classrooms and facilities clean, safe, and in good repair and working order.

Each morning before students arrive on campus, the day custodian inspects facilities for graffiti, safety hazards or other conditions that need attention prior to students and staff entering school grounds. Restrooms are checked routinely throughout the day and cleaned as needed. The principal and custodians communicate daily regarding campus maintenance and safety issues.

Daily housekeeping and cleaning takes place in the evening. When students and staff are on intersession or school break, custodial teams focus on deep cleaning of carpets, floors, windows, restrooms, and other major components of the campus.

An electronic work order process is in place for non-routine school repairs and maintenance projects. School staff submit work orders to the school secretary who forwards all work orders to the district's maintenance department who identifies the scope of the project and then assigns the project to either district maintenance technicians/specialists or site custodians. Each site custodian is capable of handling general repairs; projects requiring specialists or third party contractors are completed by the district's maintenance department. Emergency repairs are typically resolved immediately by either school custodians or district maintenance specialists.

Improvements to Facilities

The following facility improvements are being made districtwide where necessary: Wi-Fi infrastructure upgrade and technology upgrades, sidewalk replacement (on-site tripping hazards), portable ramp replacement, portable HVAC units for portable classrooms of various sites, re-sealing of gym floor, solar installation projects, PA system upgrades, paint exterior of entire school, paint interior of entire school, replace/repair swamp coolers, replace intermittent failing HVAC units, replacement of portable siding and paint, replace ramps, general installation of TVs in classrooms.

Facility Inspection Results

Ongoing maintenance by site custodians and district trade specialists ensures facilities remain up-to-date and provide adequate space for students and staff. The district's maintenance department inspects facilities and operating systems at each school at least twice a year. A formal inspection report is prepared annually in accordance with Education Code §17592.72(c)(1). Fontana Unified School District uses the Facilities Inspection Tool developed by the California Office of Public School Construction to assess current conditions of the campus and identify facilities improvement needs.

PUPIL ACHIEVEMENT AND OUTCOMES

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments (CAAs) for English Language Arts/Literacy (ELA) and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards (CCSS) for students with the most significant cognitive disabilities).

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS

The California Assessment of Student Performance and Progress (CAASPP) is a collection of tests used statewide to provide teachers, students and parents with information about how students are doing in school. The assessment system utilizes computer-adaptive tests and performance tasks that allow students to show what they know and are able to do. Summative assessment results include student scores, achievement levels, and descriptors that describe performance. Information regarding the CAASPP test results of mathematics for each grade and achievement standards can be found on the CDE CAASPP-ELPAC Results website at https://www.https://caaspp-elpac.ets.org/caaspp/. The CAASPP System consists of the following assessments:

- Smarter Balanced English Language Arts/Literacy (ELA) and mathematics
- California Alternate Assessments for ELA, mathematics, and science
- California Science Test (CAST)
- California Spanish Assessment (CSA)
- Smarter Balanced Interim Assessments

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The value "N/T" indicates that students were not tested, and therefore no scores are available at this time.

ASSESSMENT RESULTS

The table displays the percent of students who met or exceeded state standards in English Language Arts/Literacy (grades 3-8 and 11), Mathematics (grades 3-8 and 11), and Science (Grades 5, 8, and high school).

OTHER OUTCOMES
The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):
- Pupil outcomes in the subject area of physical education

PHYSICAL FITNESS ASSESSMENT
In the spring of each year, all California schools are required by the state to administer a physical fitness test to students in the fifth, seventh, and ninth grades. The physical fitness test is a standardized evaluation that measures each student's ability to perform fitness tasks in five major areas. The five major areas are Aerobic Capacity, Abdominal Strength and Endurance, Extensor and Strength and Flexibility, Upper Body Strength and Endurance, and Flexibility.
The table displays the percentage of students participating in each of the five fitness evaluations by grade. Detailed information regarding this test may be found at the CDE website at http://www.cde.ca.gov/ta/tg/pf/.

PUPIL ENGAGEMENT
The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):
- High school dropout and graduation rates
- Chronic absenteeism rates

CHRONIC ABSENTEEISM
Attendance is critical to academic achievement. Regular daily attendance is a priority and is expected for students. A student who is absent on 10 percent or more of the school days in the school year is considered to be a "chronic absentee". Chronic absenteeism negatively impacts student learning and achievement and is closely monitored by school staff and the district. Rates of chronic absenteeism for the school are displayed below.

PARENT ENGAGEMENT
The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):
- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

PARENT INVOLVEMENT
Parents are encouraged to become involved in Chaparral Academy of Technology's learning community by volunteering in the classroom or library, attending school events, or participating in decision-making processes. Events such as Back-to-School Night, Fall Festival, Holiday Showcase, Open House, Lunch with Your Child, Inflatable Dash Bash, and Coffee with the Principal provide opportunities for families to engage with school staff and support their child's academic journey.
The School Site Council, Parent Teacher Organization (PTO), and English Language Advisory Council (ELAC) offer meaningful opportunities for parents to provide input on curricular programs and financial planning. The PTO raises funds to support enrichment activities such as field trips, school assemblies, and student incentive awards.
Chaparral hosts a monthly Expresso Yourself (formerly Coffee with the Principal) event that often features parent workshops designed to support academic success and social-emotional development.
All school-to-home communication is provided in both English and Spanish. The school's website is updated monthly and includes information on attendance, a calendar of events, student recognition announcements, and homework tips for parents. Some teachers send home weekly newsletters to keep families informed about classroom activities. Communication is also shared through ParentSquare and social media, replacing previous phone dialer systems. The school marquee and occasional paper flyers continue to provide updates on important activities and school news.

SCHOOL CLIMATE
The SARC provides the following information relevant to the School Climate State Priority (Priority 6):
- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

SCHOOL SAFETY
The comprehensive Safe School Plan is developed by the Safe Schools Committee on an annual basis to comply with Senate Bill 187 of 1997 and is submitted to the District for approval. The plan was last reviewed, updated, and approved in December 2025. An updated copy is available to the public at the school office.
Highlights of the Safe School Plan include:
• Safe Schools' Plan of Action
• Comprehensive disaster and crisis plan
• State and local discipline policies
• Intervention programs for at-risk students
• Addressing student aggression
• Visible authoritative presence on campus
• Safe transportation
• Communication strategies
• Conflict resolution

SUSPENSIONS AND EXPULSIONS
The table displays the suspension and expulsion rates at the school, in the district, and throughout the state. Expulsions occur only when required by law or when all other alternatives are exhausted.

PROFESSIONAL DEVELOPMENT

All training and curriculum development activities at Fontana Unified School District revolve around the Common Core State Standards, including Next Generation Science Standards, Professional Learning Communities, 21st Century Learning and Multi-Tiered System of Supports. The schools supplement district training with site-based training focused on meeting the needs of the school, based upon student assessment results and teacher input. The district plans, implements, and evaluates professional development opportunities for administrators and teachers. Staff members are encouraged to attend district sponsored training and professional development programs.

All staff complete mandatory training online through Target Solutions annually. The mandated training covers the following topics: Child Abuse, Mandated Reporter Training, School Bullying, Anti-Harassment Training, Maintaining Professional Staff/Student Boundaries, Bloodborne Pathogens Safety, and Recognizing and Preventing Youth Suicide.

New and veteran teachers are offered support through Peer Assistance and Review and Induction programs. Each program pairs participating teachers with qualified mentoring teachers in order to gain skills and knowledge to be most effective in the classroom. Paraprofessionals receive specialized training to support current classroom curricula and effective instructional strategies. Classified support staff receive job-related training from department supervisors and district representatives.

Three days are dedicated annually to district-wide staff development. All school sites have early student-release days on Wednesdays for PLC meetings, Staff collaboration, teacher prep time and professional development. Additional professional development opportunities take place by releasing teachers from their classroom with substitutes. To ensure this doesn't impact the instructional program, every effort is made to limit teachers being released from their classroom for professional development to no more than five - ten days per school year. Teachers and classified staff are also offered additional optional professional development opportunities outside of their work day and during winter break, summer break, and Saturdays. Additional compensation is awarded for attendance in order to encourage staff to take advantage of opportunities available during non-contracted times.

ADDITIONAL INTERNET AND PUBLIC LIBRARY ACCESS

For additional research materials and Internet availability, students are encouraged to visit county and city public libraries, which contain numerous computer workstations.

DISCIPLINE AND CLIMATE FOR LEARNING

Students at Chaparral Academy of Technology are guided by school-wide behavior expectations that promote respect, cooperation, courtesy, and acceptance of others. Staff members consistently model and reinforce these expectations, which are discussed in classrooms and grade-level assemblies. Each teacher has a posted classroom discipline plan aligned with school policies and expectations.

Chaparral students and staff are committed to cultivating a positive, productive school climate that supports academic success and personal growth. Scholars are placed into one of four houses—Hunter, Thriver, Adapter, or Protector—each representing unique traits inspired by the resilience and boldness of the roadrunner. This house system fosters teamwork, cross-grade level relationships, and a strong sense of belonging among scholars and staff. Each month, a character trait connected to one of the houses is highlighted and celebrated through the Scholar of the Month recognition.

Chaparral's welcoming and inclusive environment contributes to its consistent ranking as one of the top schools for attendance. Scholars genuinely enjoy being part of the CHAT community, and this positive climate is reinforced daily through morning announcements, assemblies, and communication via social media and ParentSquare. At the start of the school year, behavior expectations and school rules are shared with students and families through classroom discussions, assemblies, and the parent/student handbook, which is also available on the school website. Policies are reviewed and acknowledged through a signed parent/student/teacher contract during conferences.

Chaparral uses the Jostens Renaissance framework to guide its approach to school climate, culture, and behavior expectations. Renaissance principles are embedded throughout campus and celebrated through recognition, relationships, and a shared commitment to excellence. A progressive discipline approach is used to support students who struggle with behavior, beginning with classroom interventions and escalating to administrative involvement when necessary. Administrators consider the nature of the infraction and behavior history when determining consequences.

Student recognition is a cornerstone of Chaparral's culture. Scholars are celebrated for academic achievement, citizenship, attendance, and positive choices. Recognition includes Scholar of the Month, monthly house points awards, end-of-semester academic and character awards, the spirited "Too Legit to Quit" recognition, and the prestigious "Leave Your Mark" award, given to one 5th grader each year who exemplifies the school's motto by truly leaving a lasting impact on others at CHAT. Class-based attendance incentives encourage teamwork and collective responsibility.
